School safety and security

New fences have been installed to direct all enquires through the office foyer. This will contribute to the safety of students. The pedestrian gate at Pevensey St will be locked between 9.15am and 2.40pm. Access to the school between these hours is only via Canley Vale Rd pedestrian gate and the foyer.

Reminder – School times

School begins at 8:50am
School ends at 2:50pm
Lunch orders are to be ordered by 9am at the canteen

Trees on site

An arborist has assessed our school site and will inform the department about recommended action for tree lopping and removal.

Experimental Learning

Once again the school has budgeted $20 per child to assist with excursions aimed at developing students curriculum, knowledge and capacity.

Parking in Adams Park Car-park

I received a letter from the council with some concerns regarding the parking in the new car-park. Please be aware you park only in designated parking areas. Council parking officers are enforcing these rules and issuing fines to drivers parking in incorrect areas.

Extra-curricular activities

Students have access to many interest clubs, sports and activities that run at either lunch time or after school. I encourage you to talk with your children about their interests and the possibility of joining a club.

Parent Teacher Interviews

These are scheduled for the beginning of term 2 for Kindergarten – Year 6. Details will be sent home next week.

Introduction to our Centre

Our service operates before and after regular school hours and during the school holiday period. It is designed to provide quality care for children aged between 5 to 12 years, whose parents have work, study or other commitments that make it difficult to take their children to or from school.

Our Hours

- Before School Care: 6.30am to 8.30am
- After School Care: 3.00pm to 6.00pm
- Vacation Care: 7.00am to 6.00pm

Fees & Charges

Fees will vary between morning care and afternoon care. The rate for Vacation Care is also different so for a more direct quote on our Care rates just speak to one of the staff at our centre for help.

Fee Assistance

Fee assistance is available to eligible parents from Centacare.

The Daily Routine

The Centre aims to provide for each child a homelike atmosphere with a caring and stimulating environment.

Children must have their names marked off the roll each afternoon before starting to play. Children are free to choose their own activities or participate in structured activities. The program aims to provide activities to suit all ages and interest, both indoor and outdoors.

Refreshments

The Centre provides afternoon tea, usually consisting of fruit, juice/cereal and a variety of food... (e.g. sandwiches, cakes, hot dogs, mini pizzas, scones, macaroni cheese, noodles, etc.)

Please make sure that you notify the Centre if your child is allergic to any food or has a religious dietary restriction, so that your child’s needs can be met.

Our Aim

All the staff aim at providing its users with the following:

- A safe, caring environment for primary school aged children, offering a high standard of quality care
- Activities and experiences which promote a normal healthy growth
- Programs which allow the children to develop self-expression, self-direction, self-discipline and good will esteem
- Staff who know how to work effectively with a group of children and are able to see and respond to each child as an individual
- Staff who know the developmental needs of 5 to 12 year olds.

Fan, Fan, Fan

Over the years we have collected a vast array of things to keep all the little healthy minds active and busy whilst in our care.

We have our very own Pool Table and Poolhall access to the covered area where they can play a variety of games, a vast library of books for kids of different reading levels, Toys, Outdoor play equipment, Board games, Blocks, Dress up kits, Basketball court, Footy & Tennis balls, Paint sets, Art & Crafts supplies, Playstation, TV & Video plus so much more.

School Work

What a lot of our children find is that our Before & After School Care is a great place to get that homework out of the way. Our Staff are always available to help students get through their work if needed. We have an area set aside for the kids to take a time out and complete unfinished homework.

We look forward to having you here at our centre!
